A Miracle on El Paseo For Bighorn BAM

With cancer-fighting proceeds going to Eisenhower Medical Center's Lucy Curci Cancer Center and the Pendleton Foundation, families gathered in November for El Paseo's storied block party to be transported to the Santa's North Pole. It came complete with Santa, an ice-skating rink and skaters, the winsome Dorothy Hamill, singers and a big band, samplings of fine libations, as well as tastes from local restaurants.
